

SOUTH FLORIDA ECOSYSTEM RESTORATION TASK FORCE

LEADERSHIP · PARTNERSHIP · RESULTS

Florida's Coral Reef Coordination Team (FCRCT)

Wes Brooks, Chair

Erik Stabenau, Vice Chair

January 16, 2024

Agenda Item #7

FCRCT Update

- Meetings conducted to date:
 - Kickoff meeting on February 14, 2023
 - Regular meetings on March 15, June 28, September 7, and November 29 2023
- Next meeting is March 2024 in conjunction with the WG/SCG meeting
 - Hybrid meeting at the Long Key Nature Center with virtual option via Zoom
 - Zoom registration and further information will be available on the Task Force website ahead of the meeting:

www.evergladesrestoration.gov/fcrct

FCRCT Update

- Progress to date:
 - Developed a database of relevant water quality and related monitoring programs
 - Finalized a monitoring framework document that outlines priorities and action items
- Next Steps:
 - Continue working on action plans identified in the framework
 - Coordinate with Florida's Coral Reef Resilience Program – Water Quality Team
