

# DRAFT AGENDA

## FLORIDA'S CORAL REEF COORDINATION TEAM (FCRCT) MEETING

March 22, 2024

10:30 AM – 12:30 PM

Virtual Meeting via Zoom

Zoom Registration available at [EvergladesRestoration.gov](https://www.evergladesrestoration.gov)

### 1. Welcome and Introductions

*Purpose:* To present the goals for the meeting and review administrative instructions.

Wes Brooks, Chair  
Erik Stabenau, Vice Chair

### 2. Meeting Procedures

*Purpose:* To review the process for virtual participation by team members and the public.

Allyn Childress, OERI

### 3. Meeting Summary Approval

*Purpose:* The summary from the November meeting is being presented for member approval.

Wes Brooks, Chair

### 4. Task Force Biennial Report & FCR Webpage

*Purpose:* To provide an overview of the coral reef portions of the Biennial Report and website. Team members will be asked to provide feedback on both items as they are in draft form.

Allyn Childress

### 5. Direction for the Year

*Purpose:* To review and endorse the draft FCRCT 2024 schedule and work plan.

Wes Brooks  
Erik Stabenau

### 6. Florida's Coral Reef Unified Water Quality Monitoring Database: Data Aggregation and Analysis

*Purpose:* The unified water quality database was developed to create a comprehensive view of water quality information on Florida's Coral Reef. The project established inclusion criteria, compiled comparable datasets, analyzed trends and gaps, and developed visualization maps and tools to bring together the data from disparate sources into a single unified database.

David Kochan, FWC

### 7. Next Steps: Discussion & Assignments

*Purpose:* To discuss the development of coordinated action plans to support the actions outlined in the 2023 Unified Monitoring Framework.

All

### Public Comment

### Assignments and Closing Comments

Wes Brooks  
Erik Stabenau  
Allyn Childress

### Adjourn

**FCRCT Duties:** The Team shall serve as the principal advisory body to the Working Group and Science Coordination Group for issues impacting Florida's Coral Reef and associated resources.
