

South Florida Ecosystem Restoration Task Force

RESOLUTION

The South Florida Ecosystem Restoration Task Force hereby selects the

Water Resources Advisory Commission

as an *advisory body* pursuant to section 528(f)(2)(E) of the Water Resources Development Act of 1996, Public Law 104-303. The Task Force asks that the Commission provide advice as requested by the Task Force or on such other issues as the Commission may deem appropriate to bring to the attention of the Task Force.

So resolved, this 16th day of January 2002, by consensus of the Task Force meeting in Plantation, Florida.
