South Florida Ecosystem Restoration Task Force

Event Title: Joint Task Force (TF) and Water Resources Advisory Commission (WRAC) Meeting

Date(s) and Time (s):

Tue, May 6, 2014 1:00 – 5:00 PM
Joint TF/WRAC Meeting

Wed, May 7, 2014 8:30 – 11:30 AM
Regular TF Meeting

Background: The South Florida Ecosystem Restoration Task Force (Task Force) was established by Congress in 1996 to ensure consistent strategies among all the partners working towards Everglades restoration. At such regular meetings of the Task Force, staff and member agencies update matters previously presented to the Task Force, report back on direction issued by the Task Force and brief the Task Force on new or emerging issues relevant to Everglades Restoration.

The Water Resources Advisory Commission (WRAC) was selected as an advisory body to the Task Force to provide advice as requested by the Task Force or on such other issues as the Commission may deem appropriate to bring to the attention of the Task Force on January 16, 2002.

Description and General Purpose of the Meeting:

The purpose of this meeting is to receive updates on the Central Everglades Planning Project (CEPP), the Invasive Species Strategic Action Framework and Residential Canal Restoration in the Florida Keys. The 2014 Task Force Reporting Requirements will also be reviewed.

Public Comment: Opportunity for public comment will be provided during the meeting. The timing, number and duration of public comment periods will be at the discretion of the Chair.
