

**Kevin Cunniff**

Chief Sustainability Officer

Miccosukee Tribe of Indians of Florida

---

Kevin Cunniff is an environmental scientist with over 20 years of professional experience working in south Florida coastal, estuarine, and freshwater wetland ecosystems. Kevin brings his experience and expertise in environmental resource assessment, management, and restoration to serve the Miccosukee Tribe of Indians of Florida (“Tribe”) in a leadership role for the Tribe’s Environmental Protection Agency. Kevin previously served the Seminole Tribe of Florida, and has worked in Florida state agencies and the private sector. Kevin has a Bachelor of Science (Biology) from Fairfield University and a Master of Science (Biology, Marine Ecology Focus) from Florida International University.
